## **CALC Provides:**

CALC will provide a "Birthday Specialist" (an experienced teacher) for a party that is scheduled for 3 hours. The first and last 30 minutes are for party set-up and clean-up. The middle 2 hours are for the party. Two art projects will be created and can serve as your party favors. The party can be themed to your child's interests. The customer will provide the food, cake, paper products and table decorations. CALC provides the location, art instruction and materials, venue and takes care of the mess!

## Costs:

For 10 children, \$200 for CALC members and \$225 for non-members. Each additional party guest is \$10.
